

EMPLOYMENT OPPORTUNITY

SENIOR PROJECT MANAGER

Are You Passionate About Public Outreach and Engagement?

InGroup Inc. is a growing public relations and marketing agency, focused on engaging customers and communities for their involvement with public transportation, energy, construction/infrastructure/redevelopment projects that look to improve transit, neighborhoods, and regional economic development. InGroup has a quarter-century of experience in helping public and private clients achieve their messaging, outreach, engagement, and overall project goals.

As a qualified and certified Women- and Small- owned (WBE/SBE) business, our team members must be nimble, creative, self-starting and driven to excellence. We not only value collaboration – we thrive on it – and our clients are the ultimate beneficiaries of our diverse viewpoints and talents. Our roots are steeped in the belief that all voices be heard. We value equity by honoring and incorporating diversity into our ethos, approach, and actions.

InGroup strives to be a valuable strategic partner to deliver innovative marketing, public relations, and digital strategy and support, while building and maintaining key market relationships for our clients through creative development, management, and implementation of varied programs and multi-channel campaigns.

We would like you to be part of our next 25 years as we seek an experienced Project Manager for a full-time position.

Why Work For Us?

We offer a work environment that allows our team members to demonstrate their capabilities, focus on development while creating value in the work and relationships. At InGroup, you're encouraged to think creatively, to act independently, and to develop individual solutions for our unique clientele. Management empowers an individualized approach to problem-solving with strong emphasis placed on performance and skill. We want our team members to grow with us as we expand our business. That's why we provide mentoring, skills development and other competitive benefits.

We believe in flexibility, accountability, teamwork, innovation, professionalism, and responsiveness. If you're a naturally self-motivated, customer-minded, and a collaborative person with a strong project management track record who is truly passionate about transportation and large infrastructure projects, who can see the BIG picture and, who thrives in a startup culture, then we want to hear from you.
